

Initiative for 2024

We are asking staff, board members, and other interested parties to join us in a new initiative for 2024. We will be promoting daily, time specific, moment of prayer based on Matt.9:37-38 (³⁷Then he said to his disciples, "The harvest is plentiful, but the laborers are few; ³⁸therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest."!). This is a one year commitment to specifically pray for the current/future staff needs of TECH.

Set a daily alarm for example either 9:37 am/pm to remind yourself to pray for:
